

Magnaghi Aeronautica USA Inc is recognised as a Top Employer 2023 United States of America

Long Island (NY), September 15th 2023 - The **Top Employers certification** recognizes the values, ethics, integrity and continuous pursuit of excellence and innovation of the MAGROUP organization.

Magnaghi Aeronautica USA Inc has been certified as **Top Employer 2023**.

Top Employer certification is an ambitious goal that rewards the work done in the company, to continue building and investing in what are considered the cornerstones of MAGROUP: communication, training, engagement, safety at work, attention to diversity, support for the communities in which it operates.

Magnaghi Aeronautica USA Inc is awarded in the following areas:

- STEER: Business & People Strategy and Leadership;
- SHAPE: Organization, digital HR and work environment;
- DEVELOP: Performance, careers and learning;
- ENGAGE: Well-being, commitment and recognition;
- UNITE: Values, diversity& inclusion.

"MAGROUP is Top Employer Italy from 2022 and now Top Employer United States of America: our continued excellence in a changing environment has again been recognized. MAGROUP journey continues, always faithful to the values on which MAGROUP is founded. We believe that the growth is proportional to the worth of our people, to a new idea of work, based on the equality of individuals. Being recognized as Top Employer in Europe and in the United States makes us proud and we are aware that the path we have embarked on will lead us toward the goals we set out to achieve" comments the Group's Chief Executive Officer, Mr. Paolo Graziano.

Top Employers Institute is the global authority on recognising excellence in People Practices. They accelerate these practices to enrich the world of work.
